Country Oak

Country Oak

Country Oak is a range of traditionally styled pieces made from American White Oak. Produced in our factory in Oxfordshire it has a choice of three finishes and two handles. Each of the finishes enhance the grain of the wood, and give the choice of a silky sheen (satin), smooth matt (waxed) or textured velvet (oiled) finish.

The wood is specially chosen with knots and cracks to create a deliberately rustic feel and

appearance. The drawers and tops are slightly rounded on the edges to add a gentle touch.

Designed and made to be durable Country Oak is made from solid wood and selected oak veneers and features dovetailed drawers, sturdy plinths, internal lighting in the glazed cabinets and toughened glass shelves. A modern take on traditional furniture styling and construction it will continue to enhance any home for many years to come.
